yves-rocher.nl	Performance Cookies	_gid	1	This cookie name is associated with Google Universal Analytics. This appears to be a new cookie and as of Spring 2017 no information is available from Google. It appears to store and update a unique value for each page visited.
yves-rocher.nl	Performance Cookies	ADRUM	0	AppDynamics - browser performance management tool uses this cookies to collect web performance data and IP addresses.
yves-rocher.nl	Performance Cookies	_ga	730	This cookie name is associated with Google Universal Analytics - which is a significant update to Google's more commonly used analytics service. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports. By default it is set to expire after 2 years, although this is customizable by website owners.
nl	Performance Cookies	ADRUM	0	AppDynamics - browser performance management tool uses this cookies to collect web performance data and IP addresses.
yves-rocher.nl	Performance Cookies	BVBRANDSID	0	This cookie allows internal Bazaarvoice web analytics to be correlated to the same user browsing session for interactions within a particular client domain.
yves-rocher.nl	Performance Cookies	_gat	0	This cookie name is associated with Google Universal Analytics, according to documentation it is used to throttle the request rate - limiting the collection of data on high traffic sites. It expires after 10 minutes.
yves-rocher.nl	Performance Cookies	BVBRANDID	365	This cookie allows internal Bazaarvoice web analytics to be correlated to the same user for interactions within a particular client domain.
cdn.appdynamics.com	Performance Cookies	ADRUM	0	AppDynamics - browser performance management tool uses this cookie to collect web performance data and IP addresses.
